

Greenhouse Montessori

explores the

MIDDLE AGES

July 6- August 14

**Classes available for preschool,
kindergarten and grades 1-3.**

Through the study of medieval times children will be exposed to life in a different time. We will learn about kings and queens, knights, castles, horses, and chivalry.

Curriculum for the kindergarten and elementary grades will be centered on literature and activities designed to enhance their knowledge of this time period's components and social structure. Preschool activities will be age-appropriate, i.e. more general.

You may enroll your child(ren) for as little as two or three weeks up to the entire six weeks.
